Summary

I am a software development student passionate about building mobile and web applications. I have experience with Flutter, Dart, Hive, SQL and Firebase and strong knowledge in API development and version control using Git. I enjoy working in collaborative and agile environments for creating user-friendly and efficient mobile applications that solve real-world problems using creative design in UX and UI.

Skills

Frontend

JavaScript, React, DOM Manipulation, HTML, CSS, Bootstrap, Tailwind CSS, Responsive Design, Next.js

Backend

PHP 8.12, Laravel 13, Python, Node.js, RESTful APIs, MVC, Eloquent, ORM, PostgreSQL, MySQL

Soft Skills

Teamwork, Time Management, Effective Communication, Critical Thinking, Stress Management

Languages

Spanish

Native

English

B2 Upper-Intermediate (ITEP)

Education

Associate of Applied Science in Software Development and Innovation

2024 - Completed

Tecnologico De Software

Merida, Yucatan

Experience

Frontend Web Development (Scale A.I)

2022-2024

Built and styled responsive, interactive web interfaces using JavaScript, Bootstrap, HTML and CSS as part of the company's internal tooling. Implemented DOM manipulation, dynamic form validation and reusable UI components, applying good UX/UI practices to make the tools easier and faster to use.

Weather App (Dedica)

2025-2026

Development of a hybrid mobile application using Flutter where, using data obtained from the network provided by the company, data, graphs, history, maps and real-time notifications of different weather events are displayed.

Software Engineering Intern (Group Proser)

2026-2026

Developed and maintained full-stack web applications using PHP, Laravel, and JavaScript. Designed and managed databases through migrations, built dynamic interfaces with DOM manipulation, and contributed to UI/UX improvements for responsive, user-friendly designs.

Certifications

Networking Basics

2024

Cisco Networking Academy

Operating Systems Basics

2024

Cisco Networking Academy

SQL (Basic) Certificate

July 2025

HackerRank

Certified in fundamental SQL skills, including querying, filtering, and aggregating data in relational databases.

B2 Intermediate ITEP

28-April-2026

ITEP (International Test of English Proficiency)

AWS Academy Graduate - Cloud Operations

May 2026

Amazon Web Services (AWS)

Completed AWS Academy training in Cloud Operations, covering cloud infrastructure management, monitoring, automation, and operational best practices on Amazon Web Services.
